*\* These countries extend passport validity reciprocity to U.S. citizens.*

*\*\* Extension of passport validity reciprocity to U.S. citizens does not apply to U.S. citizens entering Singapore; it only applies to U.S. citizens already in the country. Singapore will allow a U.S. citizen, already in Singapore, who holds a U.S. passport, which has expired within the six (6) months period beyond the expiry date, to return to the United States. This is on the assumption that the bearer of the passport is still a U.S. citizen.*
